## ***SI ZEZI REVINI***

Si Zezikri revini  
ansam ar Saraswati  
ena ki pou modi li,  
refiz alim sanbrani;  
si Zezikri revini  
ena vit-vit pou chombo  
koulou, marto, eskabo  
ek penso, touk lapentir  
pou ekrir parol enzir  
lor miray ek lor lari.

Kifer vit-vit nou bliye  
parol senp Mama-Papa:  
Donn lamour ek pardone?  
Difisil pou rapel sa?

## **ZOT REYSI FER LEVER KWAR**

Zot reysi fer lever kwar  
ki later tro salisan;  
ki li meyer al lamer  
pou vinn labwet may pwason.  
Zezi pa ti enn peser,  
ti nourî nou ar pwason?  
Lever ena bon leker,  
kit later pou al lamer.

Letansa serf, gran oustad,  
finn met prop tou bann arpan.  
Kan teren abandone  
premiè pasan gagn drwa pran!  
Kan lever rod retourne  
zot dir kabri manz salad.

## ***SHAKTI ZEZI***

Zezi 'si ena Shakti;  
eple li Saraswati  
mem si li Marie Madeleine.

Dan vilaz kot mo'nn grandi  
Monol ek Bapni, Mimi  
ek Timi pa ti lennmi.  
Enn zour enn Misie Anvil  
debark kot nou bien trankil  
plant zizani dan lespri.  
Depi sa zour la matlo  
nou vilaz gagn kongolo.

Enn sans pou nou, nou ena  
Zezi ek Saraswati  
pou replant lakorite.

## ***KOZE EK EKRIR***

Koze enn, ekrir enn lot.  
Akoz sa Shelley ti dir  
poet li kreater lang.  
Enn poet kouma Dante  
tousel li kapav konstrir  
lang nasional Itali;  
Shakespeare kre vokabiler;  
Cummings reinvant gramer.

Kan koze, souvan nenport  
touf zorey, anpes konpran  
me kan lekritir rantre  
peyna zes, bizen presi.  
Parol souvan anvole;  
lekritir kol lor papie.

## ***DE SIME, MEM DIREKSION***

Zezi dir mwa, "Chombo li!  
Chombo li, pa les sape!  
Sime lamour, liberte  
ar pikir sanpie li pi.  
Ale piti, manz ar li!"  
Saraswati, li dir mwa:  
"Ayo, pa bliye, beta,  
mo finn donn twa enn polank  
ek enn plim ar mayourrpank  
pou fer parol santi bon."

Pa dir ou mo ganase.  
Labous sek! Transpiration!  
Lerla de lavwa soufle:  
"De sime, mem direksion!"

## ***KOUMA LEZOT?***

Enn lekter telefonn mwa  
pou plengne ki li pagla  
pou lir parol poetik  
koumadir pe fer koustik.  
"To pa kapav kouma nou?  
Koz koze tande partou?"  
Ki mo bizen fer Bagwann  
pou mo kapav pas ladwann?

Saraswati reponn mwa:  
"Pa fatig latet beta!  
Routinn ek repetision  
pa zepis to masala.  
Kontinie to kreasion.  
Enn zour li pou konpran twa."

## ***KIFER MO EKRIR?***

Lontan mo ti pe ekrir  
pou prouv pouvwar lekritir;  
fer dimoun trap vant riye;  
fer zanfan kontign reve.

Lontan mo ti pe ekrir  
pou ed lezot fer sourir;  
pou anpes anz dezespwar  
trangle barlizour dan nwar.

Aster mo kontign ekrir  
parski parol literer  
ed mwa pou demay difil;  
ekler sime difisil.

Kan mo pe travers toufann  
li anpes konfli manz krann.

## ***ENA LESPWAR***

Enn loto finn arete  
pou les enn zanfan pase;  
mo vwazen pran bisiklet  
olie roul dan so loto;  
bann zenes finn organiz  
enn rezo, pe pas laket  
pou ed dimoun trwaziem-az.  
Nou pe plant pie friyapen  
pou zanfan ki pou gagn fen;  
dan lekol zanfan kontan  
parski aster zot konpran;  
dan lakaz peyna dibri,  
personn pa pe fer mari.

Nou finn aprann partaze.

Parmi enn miliar zetwal  
Ou finn swazir enn ti lil  
pou plant lespri liberte.  
Mersi. Dan enn ti pei  
ou finn sem diversite,  
fertiliz nou pie douri  
ar nouritir Sentespri.  
Mersi. Nou bien apresie.

Mo dir ou enn gran mersi  
ou'nn donn mwa nesans isi;  
fer mwa dekouver lamour  
dan mo aksion toulezour.

Mo dir twa mersi mil fwa  
to'nn donn mwa lafwa dan twa.

Mersi to'nn donn mwa enn lang  
ki permet konstrir enn pon  
ant Lafrik, Lerop, Lazi;  
mersi pou sa lamizik  
ki permet mwa sant 'Lasours';  
mersi pou zoli kouler  
ki pentir mo larkansiel.
