Too terrible to say!  
I was a fool and I declined  
A road so fair and gay.

Kamla Devi came back to me,  
Shakti took up her shape.  
Was it a flash from memory?  
Why do I stand agape?

I thought through her I would retrieve  
Emotions from my brain.  
She taught me to live, give and receive,  
Set my soul free from pain.  
I live again! I live again!

Now I am sure my memory  
Played me no dirty trick.  
I'm not after Kamla Devi ...  
Monsieur Samsonn, you make me sick!

Shakti my dove, it's you I love,  
It's you I love, I really do.  
It's not fancy, thanks God above.  
Oh, I feel free now I have you.

I thought through her I would retrieve  
Emotions from my brain.  
She taught me to live, give and receive,  
Set my soul free from pain.  
I live again! I live again!
